At the first roundabout you come to on the A369 take the first exit and carry along Bristol Rd (B1324). At the next roundabout go straight across - very shortly afterwards you will come to another mini roundabout where you need to make a sharp right turn (at the corner of Gordano School).

Follow the sign for Greystoke Business Centre carrying straight on. You will go across one more mini roundabout (with a garage on the corner). Shortly after this on the left you will see the sign for Greystoke Business Centre (a sharp left turn).

Drive through to the back of the park and you will see our building.
